

Teamsters Local Union No. 992 Endorses Lesley Lopez to represent Maryland's 6th Congressional District

Lesley is a Democratic representative who is currently serving her second term in the Maryland General Assembly. She is running for election to represent Maryland's 6th Congressional District in the U.S. House of Representatives to fight for the rights of every working family.

After observing Lesley Lopez's commitment to public service, I am confident she is the ideal candidate for the 6th Congressional District.

Lesley Lopez is a devoted public servant who has an impressive record of service. During her tenure in Annapolis, MD, she has made noteworthy contributions to critical issues that impact working families. She is recognized as an effective legislator and leader in the Maryland General Assembly. Lesley has taken a leading role in addressing issues related to student debt, the shortage of healthcare workers in Maryland, and making cancer screening more accessible by eliminating co-pays. She has also worked toward training police officers to identify, and report hate crimes. Additionally, she has advocated for economically vulnerable citizens by prohibiting credit collectors from seizing their bank accounts. Lesley has also served as the President of the Maryland Women's Legislative Caucus and has played a significant role in passing laws that ensure reproductive rights for women in the state. Her record speaks volumes about her leadership abilities. Lesley's vision for a more effective and responsive government aligns with the values we hold dear. She understands that dysfunction and partisan gridlock hinder progress, and she is committed to making informed decisions that benefit all residents. She also recognizes the importance of supporting our veterans and military families. **Lesley will be a strong advocate for worker rights.**

Lesley is an enthusiastic and resolute representative who listens to the concerns of her constituents and has a sharp vision for the 6th Congressional District. Her leadership and advocacy have made a positive impact on Maryland, and I do not doubt that she will continue to fight for progress on behalf of her constituents in Congress. Lesley Lopez's commitment to her community has already been demonstrated through her service in the Maryland General Assembly.

"I urge you to cast your vote for Lesley Lopez on the election day. Let us send a strong message that we believe in leadership that prioritizes the well-being of our families, the prosperity of businesses, the preservation of our environment, and worker rights. Sending Lesley Lopez to Congress will enable us to shape a brighter future for Maryland's Sixth Congressional District.

Please join me in supporting Lesley Lopez."
