**To Members of Teamsters Local Union No. 992**

**Re: Financial Support for Hurricane Relief in North Carolina**

I hope this message finds you well. I am writing to you today with a heavy heart and a call to action. As you know, the recent hurricanes Helena and Milton have caused unprecedented devastation in North Carolina.

These natural disasters have been catastrophic, leaving so many members and their families without homes, possessions, and a sense of normalcy. Our strength as a brotherhood and resolve as people are tested in times of such profound loss. In these moments, our solidarity and compassion can make a significant difference.

We have always prided ourselves on our unity and willingness to support others in need. Today, I am reaching out to ask for your help. **We are organizing a financial relief fund to provide much-needed assistance to those affected by these hurricanes.**

Your **monetary donations** will go directly towards helping our members and their families rebuild their lives, providing essentials such as food, clothing, and shelter. **No matter how small, every monetary donation will have a meaningful impact.**

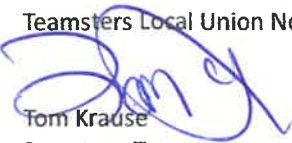

Please send your monetary donations to the following address if you can help.
