SHENANDOAH’S
WHERE’S YOUR “PRIDE”? 

Shenandoah’s Pride is sending its workforce out to pasture with the cows!

Shenandoah’s Pride is Martin's major milk supplier. The drivers and cooler employees at Shenandoah’s are well trained, experienced and safe. They are members of Teamsters Local 992 and they take pride in their work, and are proud to earn a fair wage that supports families in our community.

Shenandoah says they can't give Martin's the service it needs unless it uses non-union drivers. Teamsters Local 992 has given Shenandoah Pride ideas to keep this work where it belongs with our members and provide better service to Martin’s, but Shenandoah won’t even listen.

Tell Martin’s to tell Shenandoah’s Pride that this community and Martin’s won’t stand for this anti-worker behavior.

What next, Shenandoah’s?

Are you going to hire cows to drive the trucks?
